Make your own Fairy Dancers fairy wand! You will need:

- ☆ a printout of the star cutouts on the next page
- ☆ decorations such as ribbon, glitter and sequins
- ☆ a plastic drinking straw
- ☆ a glue stick

1. Use the glue stick to add your own decorations to the stars (glitter and sequins would look nice, or add your own drawings). Write your name in the space provided.
2. Carefully cut out the stars and glue them together, wrong sides facing.
3. Attach your star to the end of the drinking straw with sticky tape.

That's all there is to it! Your star is ready to dance with!
